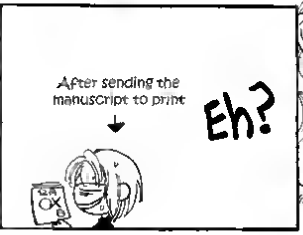
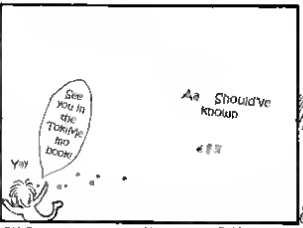
This Damn Heresy

SIDE: A

Things that have been nice lately

Rideen the Superior (unreferenced)





You can't get caught on film
Quick, get your clothes on—
You're idols
Five guys in their birthday suits and that girl doesn't even care

(TN: When they transform their clothes get ripped and when they return to human form, they're nude. But they always wear the same clothes / Ummm....)

(TN: The characters featured here are from Rideen the Superior, a mecha anime that ran from 1996 to 1997. Ace Hayate (blonde, front), or Rideen Condor, and Hisho Washizaki (dark, back), or Rideen Eagle, are shown here. The girl in the background is Reiko Amagai.)

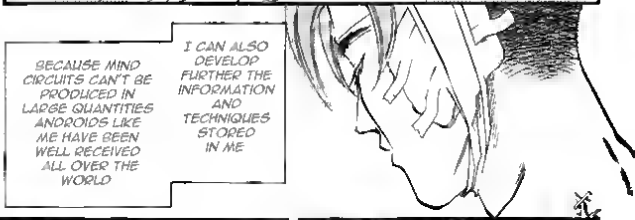
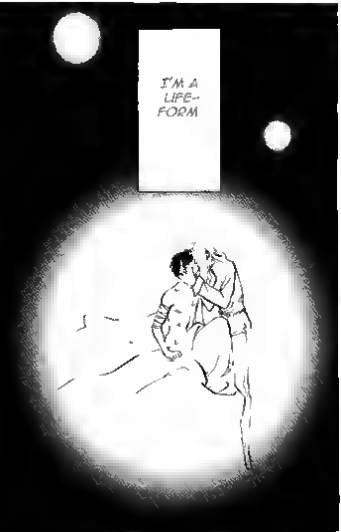
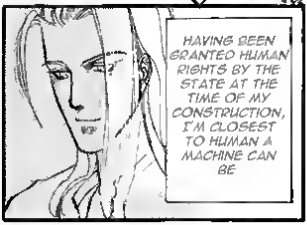
BECAUSE I'M FITTED WITH AN AI CALLED MIND CIRCUIT I'M ABLE TO THINK AND FEEL LIKE A HUMAN
I'M AN ANDROID. THERE ARE DIFFERENT TYPES OF ANDROID FOR USE IN HEAVY LABOR AND AS PETS



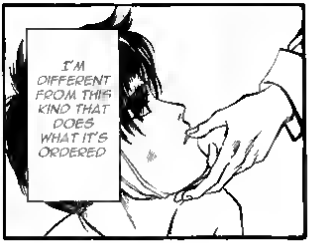
BECAUSE MIND CIRCUITS CAN'T BE PRODUCED IN LARGE QUANTITIES ANDROIDS LIKE ME HAVE BEEN WELL RECEIVED ALL OVER THE WORLD
I CAN ALSO DEVELOP FURTHER THE INFORMATION AND TECHNIQUES STORED IN ME



I'M A LIFE-FORM



HAVING BEEN GRANTED HUMAN RIGHTS BY THE STATE AT THE TIME OF MY CONSTRUCTION, I'M CLOSEST TO HUMAN A MACHINE CAN BE



I'M DIFFERENT FROM THIS KIND THAT DOES WHAT IT'S ORDERED

THE RESPONSES ARE GOOD

LEAVING EARLY TODAY, I MIGHT GET HIS REPAIRS DONE
Later

I'M YOUR MAKER.
I BROUGHT YOU HERE AFTER YOU WERE ATTACKED ON THE STREET.
Thump
EH — I'VE BEEN HOPING TO GET TO MEET YOU

WHAT FOR?
OH... I HAD THOUGH OF HOW I COULD FIND YOU...
YOU'RE A DOLL ENGINEER WHOSE IDENTITY IS KEPT CONFIDENTIAL SO THAT THE TECHNOLOGY WON'T FALL INTO CRIMINAL HANDS...
PLEASE MAKE ME INTO AN ORDINARY ANDROID...
Thump
WHY?
I DON'T NEED RIGHTS OR A DOCTOR'S DEGREE
SO PLEASE TAKE OUT THIS AFFLICTIVE MIND CIRCUIT
Oh my Vision's coming back
!!

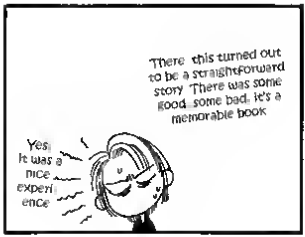
A HUMAN
YOU
I'M KIIKE HIROMASA, AN ENHANCED
AH, I SEE NOW...
THIS, THESE FEELINGS WERE WRITTEN IN MY PROGRAMMING FROM THE START
WEREN'T THEY?

NO
WHY?!
PLEASE TAKE OUT MY MIND CIRCUIT
NO, AN ANDROID FALLING IN LOVE WITH A HUMAN... AND HIS MAKER NO LESS WHAT A JOKE
WHAT?!
BECAUSE ALL OF YOU BELONGS TO ME, YOUR BODY, YOUR MIND THIS FACE AS WELL AS EVERY LAST DROP OF THESE TEARS
I WOULDN'T HAVE MADE YOU WITHOUT WRITING EMOTIONS INTO YOUR MIND CIRCUIT.

BUT WHAT I NEED IS MARIKA HIMSELF.
THE STATE OWNS YOUR INFORMATION AND TECHNOLOGY
BUT I BELONG TO THE STATE.
WHY DIDN'T YOU TELL ME?
WHY DID YOU HAVE TO RESORT TO DECEPTION TO BE WITH ME?
I thought that by pretending to be a machine I couldn't run away
IT WAS A GAMBLE
WHETHER OR NOT SOMEONE LIKE YOU WOULD BE INTERESTED IN SOMEONE LIKE ME.....
BESIDES, IT WASN'T A LIE ALTOGETHER. THERE ISN'T MUCH LEFT OF MY ORIGINAL BODY OTHER THAN MY EYES

MARIKA
AH—
THOSE EYES

BY SAYING THAT YOU NEED ME YOU TAKE RESPONSIBILITY FOR THAT...
WITHOUT YOU, I HURT AND MY HEART BREAKS AND DON'T WANT TO GO ON FUNCTIONING
AND I, DR.
THAT'S,
A GIVEN.
Please put me back together
I WILL COMPLY



There this turned out to be a straightforward story There was some good some bad. It's a memorable book
Yes! It was a nice experi ence

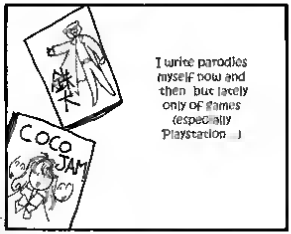
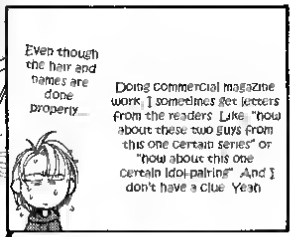
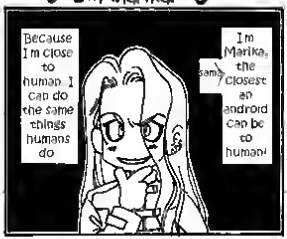
This damn heresy extra

The dialogue has nothing to do with the original novels...so I published it here
Those pages were something I did for someones Fujimi* book as a guess.

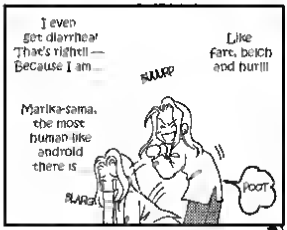




Even though the hair and names are done properly...
Doing commercial magazine work, I sometimes get letters from the readers. Like, "how about these two guys from this one certain series" or "how about this one certain idol-pairing". And I don't have a clue. Yeah



Congratulations on the publication



I even get diarrhea! That's right!! — Because I am...
BLURP
Like farts, belch and hurl!!
Marika-sama, the most human-like android there is...
BLARG

• Wow, Bokera, did you really get this out? Oh no— Give me time!! I'm sorry!!
